

周船寺校区基礎調査箇所

- 
- This map displays the Shuchanji School District, which is outlined by a dashed purple line. The district is divided into two types of landslide hazard zones: 'Red Zones' (existing landslides with special warnings) shown in orange, and 'Yellow Zones' (existing landslides with warnings) shown in yellow. Investigation sites are marked with colored outlines: green for landslides and blue for steep slopes. The map also shows a network of roads and railway lines.
- 既存土砂災害特別警戒区域(レッドゾーン)
 - 既存土砂災害警戒区域(イエローゾーン)
 - 小学校区
 - 基礎調査箇所(土石流)
 - 基礎調査箇所(急傾斜地)
